

MASSAGE SCHOOLS OUT of STATE

A.R.S § 32-4228. Massage and bodywork therapy schools

- (A) The Board shall recognize a school of massage therapy located in this state if it is approved by the State of Private Postsecondary Education or if it is accredited, or a candidate for accreditation, by an agency recognized by the Secretary of the United States Department of Education.
- (B) The Board may recognize a school of Massage Therapy located in another state or a Canadian province if it has the equivalent of a regular accreditation by an agency recognized by the Secretary of the United States Department of Education

R4-15-101 Definitions

If you can not find your school then you must obtain proof that they are accredited by one of these listed below:

“Accredited” means approved by the:

- New England Association of Schools and Colleges,
- Middle States Association of Colleges and Secondary Schools
- North Central Association of colleges and Schools,
- Northwest Association of Schools and Colleges,
- Southern Association of Colleges and Schools,
- Western Association of Schools and Colleges, or
- Council on Massage Therapy Accreditation.

PEPS; Postsecondary Education Participants System. It houses all of the demographic information about any school that has ever applied for Title IV participation. Schools may be accredited by different accrediting agencies (another oversight processthat monitors the quality of education), although they may have the same program of study.
